Individual, Group, & Family Therapist

Jan. 2012 - Oct. 2013

Inner Balance Health Center, Loveland, CO

Provided individual, family, and group counseling to residents and their families in a 28-day treatment setting. Presented multiple modalities to enhance continuance of recovery behaviors for patients in their post-treatment experience as they re-enter their previous or new living situations. Helped residents to identify individual triggers to substance use and coping mechanisms to maintain healthy behaviors in real world situations. Encouraged patients to thoroughly examine themselves to increase their coping abilities and determination to

remain in recovery. Provided clinical supervision to graduate intern trainees. Remained available for specialty services as required or requested. Maintained accurate records. Developed and assessed the family program ongoing and adjusted services appropriately.

Clinician/Graduate Student Assistant

Aug. 2008 - May 2011

DAY Programs, CSU Counseling Center, Ft. Collins, CO

Acted as Lead Case Manager and Clinician for the DAY (Drugs, Alcohol, and You) Programs. Provided training for interns and other trainees in case management, BASICS (Brief Alcohol Screening and Intervention for College Students), and operations of the Back-On-TRAC (Treatment, Responsibility, and Accountability on Campus) Program. Provided leadership to case managers in the form of support and remaining available as a resource for consultation. Provided supervision for BASICS clinicians to ensure consistent and ethical treatment of clients and facilitate development of counseling and psychology trainees. Implemented changes to streamline the process for case management and facilitate a positive working environment. Developed database-reporting methods to provide means for researchable evaluation of programs and to expedite record keeping procedures. Revised case management operating manual, contracts, and procedures to stay up to date with procedures and better serve the university, program, clients, and community. Managed a caseload of individual clients assigned to the Back-On-TRAC Program. Provided therapy for clients with alcohol/other drug issues and co-occurring disorders and/or difficulties including, but not limited to conditions such as anxiety, depression, stress, relationship difficulties, body image, and scholastic issues. Conducted BASICS (Brief Alcohol Screening and Intervention for College Students) interviews utilizing a Motivational Interviewing approach. Appropriately referred clients to relevant services within the university and the surrounding community. Documented accurate client records. Facilitated psycho-education groups in relation to alcohol education, risk management, harm reduction, and change processes. Acted as liaison with the Conflict Resolution and Student Conduct Services office as well as other community agencies.

Drug and Alcohol Counselor

Mar. 2008 - Aug. 2009

Alcohol Counseling and Guidance Services, Fort Collins, Colorado

Provided group therapy to clients with drug and alcohol related moving violations while adhering to ADAD requirements. Focused on reducing recidivism, relapse prevention, raising self-awareness, alcohol and other drug education, improving decision-making skills, and developing healthy relationships. Completed case notes. Maintained accurate records. Provided relevant information to probation officers as requested while adhering to limits of confidentiality.

Graduate Teaching Assistant

Jan. 2008 - May 2008

Colorado State University Department of Education, Ft. Collins, CO

Provided supervision to Master's level counseling students participating in the counseling practicum experience. Participated in weekly group and individual supervision with supervisee, class, and instructor. Provided lesson plans for class

education and support on issues such as ethics, substance use, case planning and conceptualization. Assisted instructor as needed.

Primary Therapist

Aug. 2007 - Jan. 2008

Coral Reef Academy & My Choice Programs, Apia, Samoa
